

Second Vice President Candidate

Ruth Bilbo, CGMP

Sheraton Fort Worth
Group Sales Manager

I have been a member of the North Texas Chapter of SGMP for over 10 years, serving in various board positions. Currently I handle the Special Projects along with support committee. It's an honor to be nominated for 2nd Vice President.

My goal if elected will be to support the efforts of the chapter to grow our membership, remain financially strong, enhance the quality of education at the monthly meetings and to serve the community where we live.

Serving the SGMP chapter has been very rewarding both professionally and personally.
