

## **First Vice- President Candidate**

**Terry L. Branch,  
Green Meeting/Conference Planner  
Environmental Protection Agency**

Serves as a green meeting/conference planner with the EPA for over 8 years, organizing events for state, tribal and National partners. Currently serving on the North TX SGMP Membership Committee and the Awards Committees. Held positions and received awards for outstanding leadership and community involvement as President/Vice-President in several organizations and EPA. I also serve a mentor for new employees. My meeting planning experience and communication skills will be an asset to the Chapter as well as a great learning opportunity for me.

Also a Certified Travel Professional with experience in cruise meeting planning.
